

2011-12 SCHOOL BUS ROUTES

Use this publication for transportation information to these schools: Homer Elementary, Intermediate, Junior High, Senior High and Hartnett. The roads listed for each bus are in order of coverage. Estimated stop times have been mailed to each student's home address. Students are asked to be ready five to ten minutes before the estimated time of arrival of the bus. Times may vary for the first several days of school as routes are adjusted. Students riding routes to private, parochial, alternative and other schools will receive a separate mailing with detailed bus information.
