Homer Elementary Character Education

The Homer Elementary School takes pride in our character development program. We have implemented the 7 Habits of Happy Kids as a foundation for teaching students how to make positive choices when working and playing with their peers. Students will learn how to find win-win solutions through the work of Sean Covey’s literature and hands on role playing.

We will also recognize student achievement in the area of character by selecting Student Citizen’s of the Month. Students can gain this recognition by demonstrating our district wide PRIDE statement characteristics. Monthly assemblies will be held to learn more about the 7 Habits of Happy Kids and to recognize our Student Citizen’s of the Month.

Blue PRIDE - School Wide!

1. Be SAFE

2. Be RESPECTFUL

3. Be RESPONSIBLE

Dear Parents/Guardians:

It is my pleasure to work with you and your child as the Principal of Homer Elementary School. The teachers and staff all join me in saying that we are happy to have you as part of the Homer Elementary School Community.

We are using this handbook as a means of communicating between the home and school. There are many policies, regulations, and services discussed in these pages. Please read and keep this handbook readily available throughout the year.

Many of your questions have been anticipated and are discussed in some detail. We are always available to clarify any school matter. The telephone numbers listed for key staff members will prove helpful. Do not hesitate to use them.

Close cooperation between the home and school is essential to promote the best interests of the child.

Parents are encouraged to visit school and to attend scheduled meetings of parents and teachers.

Please feel free to contact the school with any questions you may have concerning the material included in the handbook.

Sincerely,

**Emergency School Closings**

When schools are closed because of weather conditions or other emergencies, early morning announcements will be made over the following radio and television stations:

Television stations run continuous scrolls indicating districts that are closed.

**District Website:** www.homercentral.org

**Radio:**
- WKRT (920 AM), WHEN (620 AM), WSYR (570 AM),
- WHCU (870 AM), WSEN (92.1FM), WSKG (91.1 FM),
- WXHC (101.5 FM), WTKO (1470 AM), WNTQ (93.1 FM)

**Television:**
- WIXT (Channel 9), WSTM (Channel 3), WTVH (Channel 5), News Channel 10

**Phone:** School Messenger All –Call System

On certain rare occasions, emergency conditions such as impending storms, etc., may necessitate dismissal of students before regular school closing time. In such event, efforts will be made to have the emergency closing announced on the radio and television stations listed above. An automated phone message will also go out to all parents in the case of an early closing. In order to ensure that your child will be properly cared for if no one is home, please make arrangements at the beginning of the school year so that your child will be assured of shelter when arriving home. An emergency early dismissal form will be given at the beginning of each school year to be updated and returned.

**Visitor Policy/Parent Sign In**

Any person entering the building during school hours must report to the Elementary office to sign in and receive a visitor’s pass. *All visitors must show a state issued photo identification.* It is expected that school personnel will question anyone seen in the building without a visitor’s pass. To ensure the safety of students and staff all doors to the building are locked. A buzzer system at the main entrance will be used by all visitors to inform the office the intent of the visit.

**Home/School Communications**

A strong home/school relationship is vital to help ensure the academic/social-emotional success of your child. At Homer Elementary School, we attempt to maintain an open line of communication by using the following method:

1. weekly newsletters
2. Telephone calls, notes home, e-mail
3. Parent-teacher conferences
4. District website
5. Homer Central School All Call Phone System

Each staff member has regular access to e-mail, which can be an effective mechanism to maintain regular dialogue between teachers and families. To locate your child’s teacher e-mail, please go to the Homer District Website at www.homercentral.org, click on the Homer Elementary School page and find our staff directory icon. Teachers are expected to respond to any e-mail within 24 hours. Please do not ask teachers to e-mail confidential information.
Home/School Communications

Arrival and Dismissal

- School starts at 8:55 am. Doors open at 8:30 am.
- Children are not to be in the lobby before 8:30 unless accompanied by an adult.
- Children MAY NOT be here before 8:30 since there is no supervision.
- The YWCA (at HES) offer Before and After School Programs.
- Arriving by 8:40—8:50 allows children to eat breakfast and get ready for the day.
- When bringing a child to school, you must park on Main St. or Cayuga St. and walk in since the street in front of the school is closed from 8-9 am and 2:45-3:45 pm. No parking is allowed in front of the school. We have been allowed to park in the no parking area out front if you come during the day to pick up a child or drop something off and will only be here for a very short time.
- Dismissal for walkers and children being picked up at the end of the school day is 3:15 pm. Our buses arrive in two runs after these children have been dismissed.

Absences

We request a written excuse for the absences including the following information; date of the absence, the child’s full name, and the reason for the absence must be in the note. This note must be signed by the parent/guardian of the child. In accordance with NYS law, the following are legal reasons for absences:

1. Personal illness
2. Illness or death in family
3. Remedial health treatment (doctor, dentist, etc.)
4. Required court appearance
5. Religious observance
6. Approved music lessons
7. Impassable roads or weather

Promptness

Students are expected to be in homeroom and classes on time.

Attendance

The Homer Central School District Board of Education recognizes the importance of regular student attendance to a successful learning experience. Research supports the fact that attendance is crucial to improving student achievement. On-time attendance is a critical starting point for high levels of student achievement. The opportunities lost through student absence and tardiness leave learning gaps that are difficult to fill. We appreciate the partnership the district has with its parents to ensure positive attendance and we recognize that most students have an excellent attendance record.

However, for students whose poor attendance interferes with their learning, Homer Schools has developed a clear, understandable procedure for monitoring student attendance. Below is the attendance monitoring protocol in place for the 2015-2016 school year and beyond.

1. A daily robo-call will be used to notify families of a student absence. This call goes out by 9:30 am for grades 6-12, and by 10:30 am for grades K-5.
2. After three or more consecutive unexcused absences, a phone contact with the family will be made by the school nurse.
3. If a student falls below the 90% attendance threshold at any time, the student is spoken to and a letter sent to the family detailing the next steps if attendance does not improve. The letter will include a period of time for improvement and possible disciplinary consequences if attendance does not improve.
4. If a student falls below the 85% attendance threshold, a parent meeting or home visit will be conducted, with a consideration of DSS preventative services or Cortland County Coordinated Children’s Services Initiative (CCSI) referral.

5. A student who remains at or below the 85% attendance threshold for more than five weeks will be subject to a Person in Need of Supervision (PINS) diversion referral.

Finally, some confusion has arisen about what constitutes a legal absence from school. Below, is the definition of a legal absence:

A student is considered legally absent (excused) from school for the following reasons: sickness, death in the family, health treatment, court appearances, religious observances, approved music lessons, and impassable roads or weather.

A written parent excuse for an absence that does not fit this definition does not make the absence legal.

If you have any questions about the attendance monitoring procedure, please contact your child’s building principal.

GENERAL RULE: Attend classes daily—making up work is difficult.

Absent From School:
A. Your parent should call the main office anytime before 9AM. An answering machine is available 24 hours a day to tell us you are not coming to school.
B. We now have an automated calling system that will contact you if your student is absent and we haven’t received notice from you.
C. Bring a written excuse from home your first day back. Give it to your homeroom teacher.
D. YOU are responsible for getting assignments made up, and for making up tests and projects.

If You Must Leave During the Day:
Bring a written excuse from home and give it to your homeroom teacher. It will be sent to the office to be entered with the daily attendance as an early dismissal, and you will be given permission to leave your classes at the time stated.

All adults picking up students must show photo identification.

If you can come back during the day, sign in the main office and return to your class.

Late To School:
A. If your child arrives after 8:55 a.m. report directly to the main office.
B. Sign in and give your excuse to the secretary.
C. Move quietly to your classroom after signing in.

Going Somewhere Other than the Usual After School:
A. You must go home in the normal manner unless you have a written note stating otherwise. These notes are to come down with the attendance folder.
B. Arrangements may be made in the office for emergencies only!
C. Please do not call in on a daily basis to give us your student’s go home plans. A note should be given to your child if all possible, even the night before to put into their backpack.
D. If you know your child’s pickup/drop off schedule is going to be different in advance (ex: week, monthly, yearly), sending in a calendar for that information marked off each day, week, month would be beneficial in making sure your child is on the right bus and dropped off correctly.
Parent Organizations

**Parent-Teacher Organization (PTO)**

Our parent group is known as the PTO (Parent-Teacher Organization). The PTO supports projects in our building for the benefit of our students such as the following:

- **RIF—Reading is Fundamental**—This money enables the students to have a free, new book anywhere from one to three times each year. Without PTO support, this wouldn’t be possible.

- **Book Fair**—quality books at reasonable prices are offered once each year. Parents are invited to come to our Family Event and choose books or children are allowed to go and purchase books during a schedule class time during the week.

- **Box Tops for Education and Campbell Soup Labels**—are collected by the PTO and turned in for money to support PTO projects.

- **Other PTO Programs Include:**
  - Family Movie Nights
  - Family Picnics
  - Field Trips
  - Family Holiday Programs
  - Back to School Supplies

**Site Based Team**

Our school has a Site Based Team which meets monthly. The team is made up of parents, teachers, support staff, and the principal. If possible, a community member is also included. We plan events to support the goals of the year and discuss school issues. If you have a concern that you wish to be brought to the team’s attention please contact the school office and let them know.

**Dignity for All Students Act**

On June 18, 2012, the New York State Senate and Assembly passed the “Dignity for All Students Act.” In keeping with the law, our handbook has updated the definitions for ‘harassment’ and ‘bullying,’ including cyber bullying. More detailed language on the “Dignity for All Students Act” can be found in The Homer Code of Conduct Manual on our district webpage, you can also request a copy of this at our building’s main office.

The significant changes included in the update are an updated definition of harassment, contained in Education Law 11 (7). The new definition is for “harassment” and “bullying,” and specifies that it applies to cyber bullying. The new definition maintains, with slight modifications, language about “the creation of a hostile environment by conduct or threats, intimidation or abuse” which (a) has or would have the effect of unreasonably and substantially interfering with a student’s education performance, opportunities or well-being; or (b) reasonable causes or would reasonable be expected to cause a student to fear for his or her physical safety. The definition also adds two new categories which prohibit similar conduct that “9c) reasonably causes or would reasonably be expected to cause physical injury or emotional harm to a student” or “(d) occurs off school property and creates or would foreseeable create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation or abuse might reach school property.” The amendment also adds Education Law 11 (8) which defines cyber bullying to include all behaviors described in Education Law 11 (7) (a)-(d), “where the harassment or bullying occurs through any form of electronic communication.”

**PRIVACY:** The Homer Central School District respects every student’s right to privacy as well as their right to access and use the District’s facilities in a manner consistent with their gender identity. While the District will make arrangements for students to use the bathrooms and changing facilities of the gender with which they identify, the District also provides private spaces in the form of gender neutral facilities in single stall bathrooms for changing for any student desiring privacy or for any other permissible reason.

The Dignity Act Coordinator for the Homer Elementary School is Mr. Jim McGory

BOARD OF EDUCATION

The Board of Education is expected to:

- Collaborate with students, teachers, administrators, parents, Homer Central School safety staff, and other Homer Central School staff to develop a code of conduct that clearly defines expectations for the conduct of students, Homer Central School staff and visitors on Homer Central School property and at Homer Central School functions.
- Adopt and review at least once each year the Homer Central School code of conduct to evaluate the code's effectiveness and the fairness and consistency of its implementation.
- Appoint a Dignity Act Coordinator in each school building. The Dignity Act Coordinator will be thoroughly trained to handle human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender/gender identity, and sex. In accordance with Section 86.0 of the regulations implementing Title IX of the Education Amendments of 1972, you are hereby notified that the Homer Central School District does not discriminate on the basis of sex and this policy includes the following areas:
Counseling services for students; access by students to educational programs, course offerings and student activities; recruitment and appointment of employees; employment pay and benefits.

Pledge of Allegiance

- Students have a constitutional right not to participate in the pledge of allegiance.
- Students are expected to display respect during the recitation of the Pledge of Allegiance.
- As long as the student is not infringing upon the rights of others and is not being disruptive the student should not be treated differently from those students that choose to participate.
- Students should be allowed to remain quietly seated and should not be criticized, sent to the hallway, ordered to stand, threatened or punished due to not standing.
- The students' parents should not be contacted regarding their participation or nonparticipation in the pledge. The constitutional right belongs to the student.
The Board of Education expects students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, Homer Central School staff and for the care of Homer Central School facilities and equipment.

The best discipline is self-imposed, and students must learn to assume and accept responsibility and consequences for their own behavior. Homer Central School staff who interact with students are expected to use disciplinary action only when necessary and to place emphasis on students' ability to grow in self-discipline.

The Board recognizes the need to make its expectations for student conduct while on Homer Central School property or engaged in a Homer Central School-sponsored function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others.

Students may be subject to disciplinary action, up to and including permanent suspension from Homer Central School programs when they:

1. Engage in Disorderly Conduct, including but not limited to:
   - Running in hallways.
   - Making unreasonable noise.
   - Using language or gestures that are profane, lewd, vulgar or abusive.
   - Obstructing vehicular or pedestrian traffic.
   - Engaging in any willful act which disrupts the normal operation of the HCSD community.
   - Trespassing.
   - Misusing computer/electronic communications devices.
   - Unauthorized use of personal electronic devices/equipment.

   2. Bullying

Bullying, real or perceived, is understood to be the creation of a hostile environment that has or would have the effect of unreasonably and substantially interfering with a student’s: educational performance, opportunities or benefits; or mental, physical or emotional well-being. Bullying may be subtle or easy to identify.

- Spreading rumors or gossiping,
- Arranging public humiliation,
- Undermining relationships, teasing.

**Cyberbullying:** A form of harassment/bullying which occurs via electronic communication on the Internet, on cellular phones or other electronic media.

- Placing a student in reasonable fear of damage to or loss of personal property; or
- Interfering with a student’s educational performance and/or denying or limiting a student's ability to participate in or to receive benefits, services or opportunities in the school’s programs.

3. Harassment

Harassment in any form will not be tolerated.

Bias Harassment. The act of threatening bodily harm or by repeatedly tormenting another person based on the victim’s race, color, weight, national origin, ethnic origin, ethnic group, religion, religious practices, disability, sex, sexual orientation, or gender (including gender identity and expression). Bias harassment may take the form of comments, jokes, name-calling, innuendoes, offensive conversations, perpetuating rumors or gossip, offensive gestures, noises, blocking a victim’s path, assault, or any other behavior that is designed to show disrespect to an individual based on the categories listed above.

Sexual harassment is unwelcome sexual behavior that makes a person feel uncomfortable or unsafe. Examples of sexual harassment are:

Verbal (Unwanted and Unwelcome):
- Comments about body parts or rating someone’s body
- Sexual suggestions or threats

- Kissing or holding a person against his or her will

People sometimes confuse sexual harassment with flirting. If you are unsure about the effect of your behavior on another, ask yourself the following questions:
1. Am I making the person uncomfortable?
2. Would I do the same things in front of a parent, a teacher, or others I respect?

4. Insubordination

i.e. failing to comply with the lawful directions of a teacher, school administrator or other school employee in charge of the student.

   b. Cheating (including but not limited to copying, using unauthorized help sheets and the like, illegally obtaining tests in advance, substituting for a test taker, and other forms of unauthorized collusion);
   c. Plagiarism

7. **Committing theft or vandalism of school property.**
   The school district has the legal authority to bring suit in a civil court to recover damages. It is the Board of Education’s desire that student discipline be progressive, as well as depend upon the nature of the violation. For instance, a student’s first violation should merit a lighter penalty than subsequent violations. All factors will be taken into consideration when determining the penalty.

These and other appropriate penalties may be imposed for violations of the student disciplinary code; a penalty may be imposed alone or in combination:

1. teacher/student conference to discuss what is the expected behavior or plan of action
2. verbal warning or reprimand
3. written warning
4. Use of restorative practices may include but not limited to: restoration conference between parties, written reflections, voluntary service learning, and any action to “Make it right and do no harm”
5. written notification to parents and/or parent conference
6. counseling
7. referral to the school psychologist for counseling or testing and/or possible referral to the Committee on Special Education
8. probation

10. suspension from transportation
11. suspension from athletic participation
12. suspension from social or extracurricular activities
13. suspension of other privileges
14. in-school suspension
15. suspension from school

Suspension from school is a severe penalty, which may be imposed only upon students who are insubordinate, disorderly, violent or disruptive, or whose conduct otherwise endangers the safety, morals, health or welfare of others.

The Board retains its authority to suspend students, but places primary responsibility for the suspension of students with the Superintendent, Program Directors, and the Building Principals.
Any staff member may recommend to the Superintendent or the Principal that a student be suspended from a class. All staff members must immediately Report and refer a violent student to the Principal or the Superintendent for a violation of the code of conduct. All recommendations and referrals shall be made in writing unless the conditions underlying the recommendation or referral warrant immediate action. In such cases a written report is to be prepared as soon as possible by the staff member recommending the suspension.

The Superintendent or Principal, upon receiving a recommendation or referral for suspension or when processing a case for suspension, shall gather the facts relevant to the matter and record them for subsequent presentation, if necessary.

REPORTING VIOLATIONS OF THE CODE OF CONDUCT

Any student observing a student possessing a weapon, alcohol or illegal substance on Homer Central School property or at a Homer Central School function shall report this information immediately to a Homer Central School staff member. The failure of any student to promptly report such information shall constitute a violation of this code. Any weapons, alcohol or illegal substances found shall be confiscated, followed by notification of the parent of the student involved and the appropriate disciplinary action taken, up to and including long term suspension and referral for prosecution.

The Building Principal, or program supervisor must notify the appropriate local law enforcement agency of those code violations that constitute a crime and substantially affect the order or security of a school as soon as practical, but in no event later than the close of business the day the Principal learns of the violation. The notification may be made by telephone, followed by a letter mailed on same day as the telephone call is made. The notification must identify the student(s) and explain the conduct that violated the code of conduct and constituted a crime.

To Report Bullying at the Homer Elementary School

Many ways exist to report bullying at the Elementary School including the ones listed below:

- Talk to your teacher or another adult right away. This will help eliminate the problem quickly.
- Talk to the principal or write a note to put in their mailbox. This should be used if your teacher, bus driver or other adult has not been able to help you.
- The “Bully Button” It is a stop sign on the district website. Students or parents can write an email to report something that doesn’t seem right. The email goes directly to the building administrator.
- DASA form—located in the main office or on the school website. Once filed, the reoccurring incident will be investigated.
**Policies**

**Threats of Violence in School**
The school district is committed to the prevention of violence against any individual or property in the schools or at school activities whether such acts and/or threats of violence are made by students, staff, or others. Threats of violence against students, school personnel and/or school property will not be tolerated whether or not such threats occur on school grounds or during the school day.

Any acts and/or threats of violence, including bomb threats, whether made orally, in writing, or by e-mail, shall be subject to appropriate discipline in accordance with applicable law, and district policies and regulations.

The district reserves the right to seek restitution, in accordance with law, from the parent/guardian and/or student for any costs or damages which had been incurred by the district as a result of the threats or acts of violence in the schools.

This policy will be enforced in accordance with applicable laws and regulations.

**Dangerous Weapons in School**
The possession of any type of weapon or object intended to be used as a weapon which poses a danger to the safety and welfare of others is not permitted on school property. The possession of weapons, including mace or pepper spray, any type of knives, fireworks, box cutters, will result in disciplinary action up to and including suspension from school. All such weapons will be confiscated and the police notified if appropriate.

**Firearms**
Any student found guilty of bringing a firearm onto school property shall be excluded from school for a period not less than one year, provided that the Superintendent of Schools may modify such suspension requirement on a case-by-case basis in accordance with applicable federal and state laws, rules and regulations, and after affording the student due process pursuant to section 3214 of the Education Law.

**Fundraising**
All fund raising projects must be approved by the Board of Education. Projects which involve selling merchandise to residents of our community should be limited to one per year per organization. Tickets or articles of any kind, other than those associated with school sponsored activities, are not to be sold on school property by students or outside organizations.
**Tobacco on School Premises**

Due to the health hazards associated with smoking, and in accordance with federal and state law, students are forbidden to use or possess tobacco and tobacco-related products (also known as "smokeless" or "chewing" tobacco) on school premises, on school buses, or at school-sponsored activities.

**Use of Electronic Devices**

The use of cellular phones, hand held games, still or video cameras, and music players by students is prohibited on school premises. We are not responsible for lost, broken or stolen electronic devices. Electronic devices will be confiscated if they are out during the school day; parents may pick up such devices from the office.

**Corporal Punishment**

Corporal punishment is any act of physical force upon a student for the purpose of punishing that student. Corporal punishment of any student by any district staff is strictly forbidden. However, in situations where alternative procedures and methods that do not involve the use of physical force cannot reasonably be used, reasonable physical force may be used to:

1. Protect oneself, another student, teacher or any person from physical injury.
2. Protect the property of Homer Central School or others.
3. Restrain or remove a student whose behavior interferes with the orderly exercise and performance of Homer Central School functions, powers and duties, if that student has refused to refrain from further disruptive acts.

The district will file all complaints about the use of corporal punishment with the Commissioner of Education in accordance with commissioner’s regulations.

**Student Dress Code**

The school administration and teachers will continue to encourage all students to dress in a fashion that reflects good taste and a style appropriate for a school day. Students will be restricted from attending school if their attire includes the following:

1. K-2: Be safe, appropriate and not disrupt or interfere with the instructional process. Building principals shall make determinations of whether individual student's dress is in compliance with the above.
2. Ensure that undergarments are completely covered.
3. Include footwear at all times. Footwear that is a safety hazard will not be allowed; including but not limited to, shoes with wheels and high heels. Level heeled sneakers with laces are mandatory for PE class, recess and/or any outdoor activities.
4. Not unauthorized the wearing of hats, visors or other head coverings in district buildings except for a medical or religious purpose, or where it is part of a uniform during a normal school day.
5. Not include items that are suggestive, vulgar, obscene, libelous, or that denigrate others on account or race, color, religion, ancestry, national origin, gender, sexual orientation or disability.
6. Not promote and/or endorse the use of alcohol, tobacco, or illegal drugs and/or encourage other illegal or violent activities.
7. Not contain personal communications devices such as cameras, video games, music players, pagers, or mobile phones. These are not to be used during regular school hours.

Students who violate the student dress code shall be required to modify their appearance by covering or removing the offending item, and if necessary or practical replacing it with an acceptable item. Any student who refuses to do so shall be subject to discipline, up to and including in-school suspension for the day. Any student who repeatedly fails to comply with the dress code shall be subject to further discipline, up to and including out-of-school suspension.
Police Involvement in Searches and Interrogations of Students

Homer Central School administrators are committed to cooperating with police officials and other law enforcement authorities to maintain a safe school environment. Police officials, however, have limited authority to interview or search students in Homer Central School buildings or at Homer Central School functions, or to use Homer Central School facilities in connection with police work. Police officials may enter Homer Central School property or a Homer Central School function to question or search a student or to conduct a formal investigation involving students only if they have:

1. A search or an arrest warrant or
2. Probable cause to believe a crime has been committed on Homer Central School property or at a school function, or
3. Been invited by Homer Central School administrators.

Before police officials are permitted to question or search any student, the building Principal or program director shall first try to notify the student’s parent to give the parent the opportunity to be present during the police questioning or search. If the student’s parent cannot be contacted prior to the police questioning or search, the parent shall be informed of the questioning or search, in writing, as soon thereafter as possible. The Principal or director will also be present during any police questioning or search of a student on Homer Central School property or at a Homer Central School function. Students who are questioned by police officials on Homer Central School property or at a Homer Central School function will be afforded the same rights they have outside the school. This means:

1. They must be informed of their legal rights.
2. They may remain silent if they so desire.
3. They may request the presence of an attorney.

Child Protective Services Investigations

Consistent with the district’s commitment to keep students safe from harm and the obligation of Homer Central School administrators to report to child protective services when they have reasonable cause to suspect that a student has been abused or maltreated, the district will cooperate with local child protective services workers who wish to conduct interviews of students on Homer Central School property relating to allegations of suspected child abuse, and/or neglect, or custody investigations.

All requests by child protective services to interview a student on school property shall be made directly to the Building Principal. The Building Principal shall set the time and place of the interview. The Superintendent shall decide if it is necessary and appropriate for a Homer Central School administrator to be present during the interview, depending on the age of the student being interviewed and the nature of the allegations. If the nature of the allegations is such that it may be necessary for the student to remove any of his or her clothing in order for the child protective services worker to verify the allegations, the nurse or other Homer Central School medical personnel must be present during that portion of the interview. No student may be required to remove his or her clothing in front of a child protective services worker or district official of the opposite sex.

A child protective services worker may not remove a student from Homer Central School property without a court order, unless the worker reasonably believes that the student would be subject to danger of abuse if he or she were not removed from Homer Central School property before a court order can reasonably be obtained. If the worker believes the student would be subject to danger of abuse, the worker may remove the student without a court order and without the parent’s consent.
Bus Regulations

1. The safety and comfort of all students requires that the following regulations be obeyed. These regulations are contained in the New York State Transportation Law.
   - Students should be ready when the bus arrives and wait until bus stops completely to board.
   - At the end of the school day students should report immediately to the bus at dismissal.
   - Students must follow all aspects of the Code of Conduct while riding the school bus.
     - Remain in assigned seat until bus stops at their destination.
     - Refrain from quarreling, fighting, rough play, swearing, or shouting.
     - Refrain from eating, drinking, smoking, or using alcohol on the bus.
     - Not extend any body part through the bus window.
     - Not have physical contact with the driver.
   - Students may only bring objects on the bus that can be held on the student’s lap, without bothering other students in the seat.
     - Objects must not hang over the seat into the aisle or be taller than the seat.
     - Any large or special school projects should be transported by parents.
     - No animals of any kind shall be transported in the school bus.

Exiting the Bus

1) WALK 10 feet beyond bumper when crossing in front of the bus.
2) STOP in line with the driver and wait for signal to cross.
3) CHECK both ways for traffic.
4) CROSS directly across and keep checking both ways for traffic.
5) Students must be 15 feet away from the bus before it can move.

Bus Passes

Students riding a bus other than their own must have a note signed by parent or guardian and school official. Please be sure to include a note to the Elementary office so a Bus Pass will be issued.

Students getting off with another student must have a signed permission note from the parent or guardian and school official.

Misbehavior on the Bus

All students must behave appropriately as passengers of a school bus. Clearly understood and well-enforced rules are necessary for the successful management of students who ride school buses.

Drivers have authority to reprimand students who are causing an unsafe situation inside or outside of the bus.

Misbehavior problems on the buses will be handled in the following manner:

First - The bus driver should make an attempt to correct any discipline problems by asking the student to behave, and, if necessary, assign seats to certain students.

Second - After two or three verbal warnings have been given to the student by the bus driver for discipline problems, the driver should submit an explanation of what the problem was to the transportation office who will document it with a SchoolTool referral. The administrator will investigate the incident and assign appropriate disciplinary consequences and contact the parents/guardians.

Third - After the next offense the student is again written up. The administrator will investigate the incident and assign appropriate disciplinary consequences and contact the parents/guardians.

Fourth - After the second referral a student may be suspend from riding the bus. If the student is suspended, a conference may be held with the parents.
Bus Suspensions

Suspensions from bus riding privileges may be short term (five days or less) or long-term (beyond five days).

Short-term suspensions may be imposed by the Board of Education, superintendent, assistant superintendent, or school principal authorized. No other employee may impose a short-term suspension. Any student suspended for five days or less must be afforded the following:

1. Oral or written notice of the charges against him/her.
2. If the student denies the charges, an explanation of the evidence the school has, and an opportunity to rebut these charges must occur before the suspension begins, except when the student’s conduct poses an emergency situation. In these cases, the notice and hearing must follow as soon as practicable. On request, the student and parent must be given an opportunity for an informal conference with the principal, at which time the parent may ask questions of the witnesses who made the complaint. During his/her suspension, a student is required to report to school as usual.

A long-term suspension from bus riding privileges is a suspension in excess of five school days. A student has a right to a superintendent’s hearing prior to a suspension in excess of five days and also has a right to appeal such a suspension to the Board of Education pursuant to Educational Law 3214.
Technology

Internet Service

Our goal in providing Internet service to students is to promote educational excellence by facilitating resource sharing, innovation, communication, and collaborative work. Upon registration, Homer students are given a computer account which gives them independent access to many software applications and the Internet.

Students are expected to be aware of the ethics and the responsible use of the Internet, and demonstrate knowledge of the policy and regulation governing use of district technology. An acceptable Use Policy can be found in this handbook and should be reviewed prior to logging onto the computer network.

Prior to logging onto the network, students (and staff) see this message “This computer is provided for educational use for the Homer Central School District community. All data on district systems is the property of Homer Central Schools and may be monitored in any manner. THERE IS NO RIGHT OF PRIVACY IN THIS SYSTEM. Use of this system by any user constitutes consent to this policy.” By logging onto the network, all users are subject to these guidelines.

E-Mail Use

The use of E-mail for educational purposes is at the teacher’s discretion. It is expected that students will use technology during the school day to support their course work.

Students are expected to adhere to the rules of the District Acceptable Use Policy.

Disciplinary consequences will apply in the following cases including and not limited to:

- Misusing computer/electronic communications devices, including any unauthorized or inappropriate use of computers, software, or Internet/intranet account; accessing inappropriate websites; evading the District's content filter; using any other violation of the District Acceptable Use Policy.

- Unauthorized use of personal electronic devices/equipment (i.e., cell phones, MP3 devices, cameras, and other personal electronic devices deemed inappropriate by the administration).

- Unauthorized use of personal computer, laptop, tablet or e-reader and/or other computerized information resources through the District computer system is prohibited.
Homer Central School serves breakfast and lunch in all of our buildings. We understand the important relationship between nutrition and health, and nutrition and learning. We encourage every student to eat a nutritious breakfast and lunch every day.

Students are expected to use good manners and common courtesy when in the cafeteria. Students are expected to follow the rules set by the staff in the cafeteria. Students may bring a book, homework, or paper and pen to the cafeteria to use once they have finished their meal. Students that are unwilling to follow cafeteria rules and fail to show good character will be removed from the cafeteria.

Planned menus are distributed monthly in the Homer Elementary News and can be found on the district website. Peanut butter and jelly sandwiches are available every day as an alternate choice to the planned menu.

**What Is Free and Reduced Lunch?**

New applications must be submitted every school year. Parents may always access the applications on the district website or request one from the main office at any time during the school year. Students eligible for free or reduced meals are eligible for both breakfast and lunch. All information on the meal application is confidential. Participation in the Free and Reduced lunch program is vital to the Federal Funding that the district receives for your child’s academic programs. If you have any questions about the meal application or our school meal programs, please call the Food Service office at 749-1216.

**Charging Meals**

A. Students may charge up to ten dollars at the High School and nine dollars K-8, and will not be permitted to exceed this limit until the outstanding charges are paid in full;

B. If a student's prepaid meal card or account has been exhausted, he or she will be given a grace period where no more than ten dollars at the High School and nine dollars K-8 may be charged, to allow time for the meal card or account to be replenished.

C. The only item(s) permitted to be charged are a complete meal or milk. A la carte items such as snacks or ice cream may not be charged;

D. The District's point-of-sale system will track all charges and payments;

E. If a student comes to school without a lunch, and has exceeded the maximum reimbursable-meal limit, the District may provide a reimbursable meal (that is available to all students) so that he or she does not go hungry that day;

F. As appropriate, District administration may contact Social Services to report a student's consistent failure to arrive at school with a meal.

Unpaid meal charges will be addressed directly with the student's parent or guardian who is responsible for providing funds for meal purchases; discreet notifications of low, exhausted, or deficit balances will be sent at appropriate intervals during the school year. The notification may include a repayment schedule, but will not charge any interest or fees related to meals charged during the grace period. District administration will further consider the benefits of attempted collections and the costs that would be expended in collection attempts.

**Computerized Payment System for Breakfast and Lunch**

Every student in the building has been entered into the computerized system and will be provided with a four digit pin number. Students can pay in cash, however, we strongly recommend parents/guardians deposit money into the student’s account weekly or monthly. These prepayment slips will be available on our school web site at http://www.homercentral.org/info/lunch/prepayment.pdf. There is a slight charge to use prepay option via electronically. If your child has qualified for free or reduced price lunches or breakfasts, this information is in the system, and the meal will be processed just as it is for all other students.

If you are concerned about a food allergy that your son/daughter has, please notify the cafeteria with this information. A warning will appear on the cashiers’ screen for a review of the items on the student’s tray.

If for any reason you would like a copy of the transactions of your child's account we will be able to give you a print out.

If you have questions please feel free to call our Food Service Director at 607-749-1216.

(Education law, Section 903.) Physicals done up to 12 months before school begins in September are now acceptable for incoming kindergartners.

**Hearing and Vision Screening**
Each child will be given a hearing and vision screening each year. You will be informed if there are any problems. Height and weight records are also kept.

**Medications**
State law requires a signed permission slip from the parents and a written and signed request from the family physician indicating the frequency, dosage, and the name of the prescribed medication, when it is necessary for a child to take any prescription or non-prescription medications. The school nurse may then administer the medication during school hours. **The parent must deliver the medication to school in the original, labeled container.**
Gym and Recess Excuses
A child may need to be excused from gym and/or recess for health reasons. A note signed by the doctor stating the dates and reason is needed for this. You may ask for your child to be excused for one day without a doctor’s note.

Injuries at School:
Students sometimes suffer injuries in the school or on the school grounds. Report all injuries immediately to the teacher and to the nurse no matter how slight and minor. Minor cuts and abrasions will be treated as first aid in the school nurse’s office. More serious injuries which cannot be fully cared for by the school will be referred to the family physician or school physician.

In an emergency the school will be responsible if parent is not available for obtaining medical care for the student at the time of injury. However, if students have to return to a doctor’s office or hospital for additional treatment, x-rays, etc., it is the responsibility of the parents to see that the students are transported to the doctor’s office or place of treatment.

If your child is injured at school, the school’s insurance coverage begins after claims under the parent’s insurance have been applied. There is a $25.00 deductible fee.

NOTE: GLASSES AND ARTIFICIAL DENTURES ARE NOT COVERED BY INSURANCE. INJURIES SUSTAINED BY A STUDENT DUE TO “HORSEPLAY” OR A FIGHT WITH ANOTHER STUDENT ARE NOT COVERED BY SCHOOL INSURANCE.

Illness In School
A child who is not feeling well will be sent to the nurse’s office. The nurse will evaluate what is happening by talking to the child, making note of the child’s temperature, looking at the ear canal, etc. If the child needs to be sent home, the nurse will call the family. If the parents can’t be reached, she will call the emergency numbers that the family has given us.

Extra Clothing
Accidents do happen! If a child needs a change of clothing (for whatever reason) they will be sent to the nurse’s office. Their clothing will be sent home with them in a plastic bag. Please wash the school’s clothing and return it to the school as soon as possible. Any extra sweat pants (they fit many children), shirts, hats, coats, gloves, boots, underwear, or socks that you wish to donate would be appreciated. We can also use plastic bags. Outerwear such as warm coats, snow-pants, hats, mittens, and boots are frequently in demand. Any outgrown ones that you can donate are appreciated and will be put to good use. Send these items to the nurse’s office.

Emergency Management Plan:
A detailed Emergency Management Plan is on file in the school office and deals with specific emergencies. This plan is updated annually and provides for training of all staff.

In case of an emergency in which school is closed early, students are to follow the instructions on the “Early Emergency Dismissal” Form which their parents returned to school in September.

Fire Drills/Lock Down Drills:
We are required by law to conduct a minimum of 8 fire drills and 4 lock down drills during the school year. The fire drills involve the evacuation of all students, instructional and non-instructional personnel from the building. Your homeroom teachers and classroom teachers are familiar with the route to take in evacuating the building. Students are expected to move quickly and in an orderly manner. Lock down drills involve students holding in place within a designated area of the building. Students are supervised by our professional faculty and staff members during this time. Drills of this kind are carried out so that we know what to do if an emergency occurs and all people will leave the building as quickly and orderly as possible. When it is declared safe, staff and students will return to the building.
Things You Need to Know

Information Sheets
A paper listing vital information about your child is also completed each year. This will give us your current address, phone, sitter and sitter’s phone, emergency numbers, work phones, and doctor etc. **It is vital that any changes in this information made during the school year (especially phone numbers) be sent to the main office and the nurse’s office right away.** It is upsetting to an ill or injured child when no one can be contacted because of outdated phone numbers. Unlisted phone numbers will be kept private and only used when we need to contact you for something important.

Moving
If you will be leaving the school district please inform the school as soon as possible. This will give us the opportunity to prepare scholastic and health records. The school your child will be attending will request records in writing as soon as you have registered your child there. Your child’s transition from one school to another will be easier if we know of this change in advance. Closure is important for children. By knowing in advance that you are moving, the classroom teacher will have time to allow the class to say good-bye to your child and to have your child gather his/her possessions to take home with him/her.

If you are moving, but remaining in the district, don’t forget to send in your new address and phone number so our files can be updated. It is difficult when we need to reach you for an important reason and are unable to do so because of outdated phone numbers.

Report Cards
Report cards are sent home every ten weeks. Parent conferences are held in November for every student. You must attend the conference in order to obtain your child’s first 10 week report card. Conferences may also be held at other times during the year if the teacher feels that there is a need. We find that the more communication between school and home, the better the understanding we have of our students. Teachers are also available for conferences at your request.

Outdoor Play
Children will be playing outdoors every day unless the weather is severe (**Thunderstorms, Wind Chill under 20 Degrees F**). Generally, if a child is well enough to attend school, he/she is well enough to go outdoors. After a severe illness, a doctor may request that a child remain indoors for a few days. Please have him sign a form for school if this is necessary. In the winter, children will need heavy coats, hats, gloves, and boots. (Please check to make sure that they have them in the morning!) In the spring, boots are needed for the mud. Each day children need shoes or sneakers to wear in school. Outdoor boots become too hot to wear all day and sock feet are too dangerous. If your child has a difficult time remembering, you may wish to leave an extra pair of sneakers in school.

Lost and Found
Articles that are found should be turned in at the main office. These items will be kept until the end of the year. Marking your child’s personal items such as lunchbox, sneakers, outerwear, and book bags helps to get them back faster. Parents may come in at any time to check the lost and found for familiar items.

Equipment
All basic texts and workbooks are furnished by the school. Your child’s teacher will inform you of any supplies that your child needs beyond what is furnished by the school. Desks, lockers, and books belong to the school district and can be searched using the standard of reasonable suspicion.
**Things You Need to Know Cont**

**Halls**
- Walk in the halls
- Quiet voices only
- Keep hands by your sides and your feet on the floor
- Respect other people’s property (pictures, books, locker)
- When passing in the halls as a class, no talking, or very quiet voices
- Help keep walls and floors clean
- Obscene or impolite language will not be tolerated anywhere in the school

**Entering The Building**
- Children will enter from the front door only
- Children are to go directly to their classrooms
- Hats are not to be worn inside the building unless children are getting ready to leave for recess or to go home at the end of the day

**Exiting The Building**
- Children should meet friends, siblings at the door or may meet a younger sibling at their classroom if they feel that the child will have a difficult time finding his/her way out of the building
- All students will exit via the front door
- Walkers should leave the building when the bell rings and should not be wandering in the halls

**Bus Runs**
- Use only the front door when leaving for your bus
- First bus run children will be dismissed from their classrooms
- Second bus run children from two classes will be gathered together in a classroom under the supervision of an aide and will be dismissed as the bells ring for their bus run.

**Classroom Visitations**
Each year we host a Parent Visitation Day where parents are invited to visit their child's classroom for an hour. If you wish to visit your child's classroom at a time other than the designated Visitation Day, you need to arrange a date and time with the classroom teacher. A visitor pass will be waiting for you in the office for the time that has been arranged.

**Birthday Party Invitations**
It is building policy that birthday party invitations will not be handed out in school unless a child is inviting every child in the room. This helps limit hurt feelings when a child knows that a party is being held and he or she has not been invited. It is also not possible for us to give out addresses of children. You might be able to find the addresses that you need in the phone book or you may give the teacher a note to send to another child's parent asking that parent to get in touch with you to provide an address. We are sorry for the inconvenience that this might cause but the best interests of the students are at the root of this decision.

**Candy**
At times, parents provide candy for classroom parties. Recently, many staff members were certified in CPR. When they took the class, they were advised that children that were in the age group of this building should not be given hard candy. It is easy to get hard candy stuck and this age group is not very careful about what they are doing, ie: running while eating, not sucking the candy, not eating small enough bites, etc. Therefore, we ask that you do not send hard candy or lollipops into a class holiday party or for a child's classroom birthday celebration. Thank you for your help in this matter.

Kindergarten Registration

Registration is held each March. Proof of Birth, registration forms, immunization records and proof that you live in the district are checked at that time. Before entering school, the children will attend an orientation/screening program. The children will receive a screening test (NYS law requires that all incoming children be screened). Just before school starts, you will receive a letter from your child’s teacher. It will inform you about anything your child needs for school and will include a name tag with your child’s name, teacher’s name, and bus number. It is helpful if your child wears this tag for about the first two weeks of school. It helps us to learn names and to locate buses at the end of the day, if the student can’t remember which bus he/she is riding.
MDT / PSM  
(Multi Disciplinary Team) (Problem Solving Meeting)

When a teacher has a concern about a child (for any reason) this child can be considered by the PSM/MDT Committees. These teams are composed of classroom teachers and support staff. The teams, upon presentation of information about the teacher’s concern for the student, recommends appropriate resources to help accommodate the child’s needs. If an in-depth evaluation is recommended, the parents will be informed.

Special Areas
All of our children receive art, music, library, and physical education classes taught by specialists in those fields. We have a rotating six day schedule for these classes. The children will receive physical education three times in the six day cycle and art, music, and library once. Our days, one through six, rotate. This means that if we have a holiday or a snow-day, we will pick up with the specials that they would have had on the day missed. For example, day three is the next school day and your child is scheduled to have music, The next day we have a snow-day. When the children return the following day, it would still be day three and they would have music then.

Your child’s classroom teacher will keep you informed about the schedule. It is often helpful if girls do not wear dresses on gym days or have a pair of shorts in school that they can put on under their dress. Be sure that your child has sneakers in school on gym days.

IMPORTANT NOTICE
PHOTOS, VIDEOS, AND AUDIO

Each year many pictures are taken of our students. The photos and videos might be taken by the classroom teacher, local media, or a student teacher for his/her portfolio. These photos might be used on bulletin boards, in newsletters, or in our local news. The videos are usually used for a student teacher’s requirements for certification by NYS. We recognize that some parents might not want their child to be in these photos/videos. (Please note that this does not include the school pictures that are taken annually and have a class composite with them.) Please return the below slip to your child’s teacher, only if you do not want your child to participate in the outlined activities. We will then take steps to avoid such situations
