Business and/or Professional Background:

I am currently completing my 8th year as a high school mathematics teacher at Marathon Central School District. Along with the 8 years at Marathon, I have worked at 3 other schools (2 separate school districts) in North Carolina for 4.5 years before moving back to Homer, New York in 2015. I have had the great privilege to work in both rural and city school districts. I hope to bring my diverse experiences in education to the Homer school board.

I love to fish, hike and canoe... all things outdoors!

I am an avid New York Mets and Pittsburgh Steelers fan!

Along with being an educator, I am a handyman. On the weekends or during the summer you may find me replacing windows or doors, laying floors or even snaking a drain.

Anything else you wish to share about yourself:

My wife Shannon and I have 3 awesome children, Wyatt (8), Bernadette (4) and Wells (1). My wife and I have dedicated our life to teaching and helping children develop at all stages, and I wish to continue that work with the Homer School Board of Education.
