Dear Homer Schools Community,

I am writing to remind you that you have until this **Friday, August 7th**, to complete a Family Reopening Commitment form for your child(ren). At this point, we have had 1,006 students notify us of their preferred learning model, transportation plans, and meal choice.

The form can be accessed by using the link [here](#) or by going to our district reopening webpage at www.homercentral.org.

One form must be completed for each of your children. This will help us further plan the learning models to be offered, transportation and food service. As soon as more details are available, we will share them with you to help you and your family prepare for school in September.

If you are unable to access the form, or need any assistance in completing it, please call the main office of your child's school. If no one is available, please leave a message and someone will call you back to help you complete the form.

Thank you for providing the information we need to continue our planning. Take care and thank you for entrusting your child's education to us.

Sincerely,

Thomas M. Turck
